

AMERICAN NATIONAL BANK OF TEXAS NAMES KIMBERLY JACKSON MANAGER OF SKILLMAN DALLAS BANKING CENTER

Dallas — June 9, 2011 — American National Bank of Texas (ANB), one of the oldest and largest community banks in Texas, today announced the addition of Kimberly Jackson as banking center manager of its Skillman Dallas location.

Jackson brings over 25 years of banking experience to ANB, including 8 years as a vice president of global commercial banking at Bank of America. She has served in a variety of management roles and worked as a banking consultant to individuals and privately owned businesses in nearly every industry.

“I’ve always been an advocate for my clients and look forward to putting my persistence to work for ANB customers,” says Jackson. “I love what I do and believe understanding goals is key to finding the best avenue for planning the future.”

After earning a finance degree at Florida State University, Jackson started her career at Barnett Bank where she worked for ten years as a lender and branch manager. She then gained seven years of experience at Vectra Bank as a marketing director and cash manager bank before moving to Bank of America. Experience in several different areas of banking has given Jackson a unique understanding of how to successfully run a banking center.

“We are so pleased to welcome Kimberly to the ANB family,” said Sharon Lee, executive vice president of client services, ANB. “Her enthusiasm for working as a client advocate will help strengthen our commitment to providing a localized and community-based banking center at the Skillman Dallas.”
